Summer ends on a high

Patrick Morris, visiting from Titirangi, borrowed a bike to try out the air bag at the Little Day Out.

It's back to school and the end of another great summer holiday here at Kahu Youth. First up, thanks to all who came down to join in or run activities and events at our fourth 'Little Day Out'. From skate and scooter jams and giant air bags to touch rugby and bouncy castles, there was a bit of everything. It was a great day, we had a blast!

We're now busy preparing for the new school term; planning our girls' and boys' adventure

clubs, the Young Change makers, our successful radio presentation course with Wanaka Beats and laying the foundations for us "Takin' over Amigos" and Matariki 2012 later in the year. We'll also be open for 'Drop in' (hanging out) on Fridays from 6-10pm and Saturdays from 3-10pm all term long too. Busy, busy, busy!

All summer we've had loads of young people checking out our fantastic brand spanking new Crib at 11 Russell Street.

They've been working hard helping us sort, build, paint and set up ready for our grand official opening on Saturday the February 18 at 2pm. The whole community is invited to have a nose around our fantastic new facility, meet us, and have a bite to eat. We hope to see you all there!

Challenge donation

TIM BREWSTER

A total of \$10,000 has been committed by the Challenge Wanaka organisation following the 2012 event. For the second year \$5000 has been given to the Upper Clutha Children's Medical Trust. UCCMT chairman Peter Wilson said the trust has now helped 37 families who have needed assistance with medical costs for

their children. Scenarios have included assisting with airfares so a family can stay together if a child has to go to Starship Hospital in Auckland, funding specialised speech therapy for children and even assisting with food or fuel costs if parents have to take time off work to go to Dunedin to support children in hospital.

The donation is

result of the efforts of 40 volunteers for the trust who helped with Challenge Wanaka Peter said.

"We've had a lot of support from the community, and we don't sit on the money, we react quickly."

The other \$5000 was divided amongst Wanaka Rotary and the Upper Clutha Rugby club for their assistance during the week.
